

**APC LATE MODEL SERIES
Technical/Rule Update
January 17, 2018**

Competitors:

Please be advised of the following technical/rule update:

Effective immediately: Technical Rule

1. 3. Cars found non-compliant post-race could be subject to penalties up to and including disqualification. Any violation relating to engine tampering, altering tire compound/tire softing or traction control (electronic and/or hydraulic) will result in a one calendar year suspension for both driver & car owner.

7. 9. No brake recirculation systems

7. 10. All brake lines must be visible for inspection.
